

August 5th 2017

Dear Southern Zone Schools,

With our Zone Conference quickly approaching, I'd like to invite as many musicians and singers from school communities to join in the music for the Mass on the morning of Thursday August 24th. Below you will find links to sheet music and also to recordings of the music chosen. I've indicated if there is a mismatch with the key of the music and recording. Sometimes the arrangement is slightly different to the way we'll play it.

We also would like to have students in our choir as well. This may be more practical for Warrnambool and district schools - but all would be very welcome. At this stage I propose a practice for any interested students at 1.00pm on Wednesday 23rd at St Joseph's Church, but I will confirm this. For those unable to make this, I'll be at the Church ready to practice from 9.00 on the morning of the Mass. I've also put a link to a choir song sheet - I'll have copies of this at the Mass.

I'd appreciate if you're able to give some indication of participation in the coming weeks, so space can be allowed for singers and musicians.

Thanks

Joe Ewing

Gathering Hymn:

[Come to the Feast \(GA 400\)](#)
